At 7:36 PM Chairman Benner called the meeting to order.

Road Master Deardorff suggested the following locations for additional streetlights:

- Mount Hope Road at the railroad tracks
- Old Waynesboro Road near the ISP Mineral entrance - possibly three streetlights
ISP may share the cost
- Mount Hope Road at the curve near the Old Soap Quarry
- Mount Hope Road near Swamp Creek Lane

The Township will request streetlights only where there are poles and transformers. The Township has tried to install streetlights at intersections and other dangerous road locations.

The Township is still looking for a solicitor. Chairman Benner will contact the suggested attorneys.

Road Master Deardorff and the Board discussed future road improvement projects. The following roads were discussed: Mount Carmel, lower Bullfrog, lower Cold Springs, Old Waynesboro. Next year ISP and DL George have promised \$20,000 each for road improvements on Old Waynesboro Road.

The Hamiltonban Townships Municipal Authority met last week to discuss increasing the monthly sewer fees and the repayment of the building loan. Hamiltonban Township's Municipal Authority Secretary Donna Walker should provide a copy of the minutes to the Board of Supervisors for their next regular Board meeting.

The meeting was adjourned at 9:46 PM.
